# Unifying the Grants Delivery Process

## NGMA – Providing the Resources You Need

NGMA's mission speaks to the ongoing need to connect professionals in the grants field: *to improve and unify the Federal grants delivery process by bringing together the professionals involved in this process so that they may learn from each other.* NGMA supports the evolving process of grants management across all levels – from the grant maker through the grant recipient – and everyone in between.

## NGMA – Representing Your Organization

Representatives from all levels of government and organizations in the private sector belong to NGMA, creating a diverse community of resources:

- Local Government Agencies
- State Government Agencies
- Federal Government Agencies
- Non-Profits
- Universities
- Foundations
- Other agencies and organizations that either receive or award grants

## NGMA Members are Committed to Excellence!

NGMA members are committed to strengthening the relationship between grant-making agencies and grant recipients:

- Grants Management Specialists
- Directors of Sponsored Programs
- Grants Management Officers
- Grantees
- Grants Coordinators
- Grants Developers

## NGMA – Benefiting the Grants Management Professional

NGMA offers a variety of opportunities to increase your knowledge base:

- Networking with Federal funders and agencies
- Training sessions through webcast or on-site delivery
- A content-rich and forward-looking annual grants management conference
- The quarterly *News Brief*, a timely and practical newsletter with feature articles
- The bi-annual *Journal*, providing an in-depth look at grants management issues
- The *Who's Who in Grants Management* Annual Membership Directory
- Certified Continuing Professional Education (CPE)
